

Dear Friends,

Jona Kronenberg  
Rodolf Haeusler  
Klauss Boeheim  
**J. M. Hans**  
R. A. Tange  
Nenand Arsovic  
Victor Slavutski

Along with my best wishes for a Happy New Year,

I would like to invite you to participate as panelists at the Round Table  
**“Trans-canal approaches for Cochlear Implantation”**

In the forthcoming **10th European Symposium on Paediatric Cochlear Implantation, 12-15 May 2011, Athens, Greece.**

I would highly appreciate your acceptance to participate in this round table.

With warm regards

**Dr. Trifon Kiratzidis**

Dear Dr. Kiratzidis,

Further to our correspondence regarding the upcoming **10<sup>th</sup> European Symposium on Paediatric Cochlear Implantation (Athens, 12-15 May 2011)**, I would like to thank you once again for your acceptance to participate in the scientific program of the Congress and celebrate with us the 50 years of cochlear implantation.

Taking into account your expert Knowledge on the topic, I will be very happy to see you in the Scientific Program as **Moderator** in the Round Table on **Trans canal approaches for cochlear Implantation**". The duration of the round table will be 90 minutes including the discussion.

The role of the moderator is the most important as he/she has to contact the panelists, arrange the topics with them and lead the whole round table and the discussion. If you wish to give a presentation on the topic, please feel free

to do so. Of course you have to ensure that the round table time limits are met.

Please note that all accepted abstracts will be published in the **International Journal of Pediatric Otorhinolaryncology**. Impact Factor: 1,2

For any additional information or clarification, please contact the Congress Secretariat Congress at [info@espci2011.com](mailto:info@espci2011.com).

I greatly appreciate your participation in the program and your contribution towards achieving a high scientific standard at the ESPCI 2011.

**Your timely reply, preferably within a week, would be much appreciated.**

Looking forward to hearing from you.

Best personal regards

Thomas P. Ikiopoulos, MD, DM, PhD  
President of the 10th ESPCI
