

Hello

Dr. Hans

Nisha Johar here I had an Cochlear Implant in march in Primas hope u remember me, just wanted to share that I am doing fine am dependent on implant totally can here very well can even talk on ph if the person on other side specks little slowly. Life seems back on track. Had thought vl call u tell u all this n hear ur voice but didn't calls as I felt what if u might b in the middle of something all things u told m about the implant have cm true.

Ya I can now toa I gossip with family n friends even on ph it's nice. Cudnt have asked for more. Tk u god n tk u dr VI keep u posted n vl b in touch.

Regards

Nisha
